

Logic Valves & Flow Control

Kuhnke Quick Release Couplings - Self Sealing

Technical information

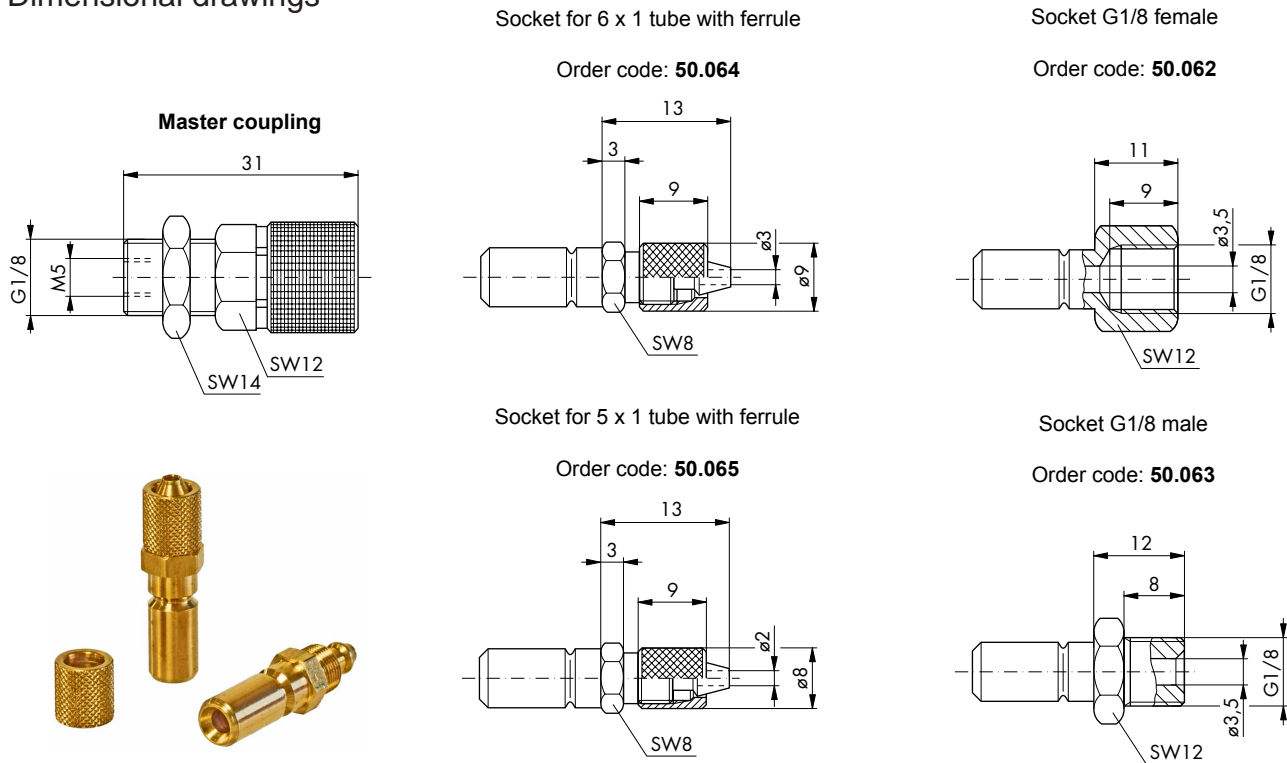

Pressure range: Max. 12 bar
Temperature range: -10°C...+70°C
Materials: Brass body
Operating medium: Neutral gases

Order connecting sockets separately, see below.

Colour	Description	Thread Connection	Order code
Blue	Master coupling blue	G1/8 male/M5 female	50.061.01
Red	Master coupling red	G1/8 male/M5 female	50.061.02
Green	Master coupling green	G1/8 male/M5 female	50.061.03
Yellow	Master coupling yellow	G1/8 male/M5 female	50.061.04
Black	Master coupling black	G1/8 male/M5 female	50.061.05
White alloy/colourless	Master coupling white, alloy colourless	G1/8 male/M5 female	50.061.06
Light green	Master coupling light green	G1/8 male/M5 female	50.061.09
Steel blue	Master coupling steel blue	G1/8 male/M5 female	50.061.10
